**MALLINCKRODT'S SUPPLEMENTAL RESPONSES AND OBJECTIONS TO
INTERROGATORY NOS. 2-5, 26, 30, 32, AND 34.**

Pursuant to Rules 26 and 33 of the Federal Rules of Civil Procedure, the Local Rules of the Northern District of Ohio, and the Court's Case Management Order One (Dkt. No. 232) ("CMO 1"), Defendants Mallinckrodt LLC and SpecGx LLC (collectively, "Mallinckrodt") hereby further respond and supplement their responses to Plaintiffs' Interrogatory Nos. 2-5, 26, 30, 32, and 34 (the "Interrogatories").¹

¹ SpecGx LLC executed a service waiver in the Summit County case on June 28, 2018, and joined Mallinckrodt's interrogatory responses and objections at that point. It joins the foregoing responses and objections as well. Mallinckrodt plc is an Irish holding company "that has not sold or distributed prescription opiates in the United States during the relevant time period." Dkt. No. 1108 (November 9, 2018 Order). As such, Mallinckrodt plc, specially appearing, filed a motion to dismiss for lack of personal jurisdiction on January 15, 2019. Dkt. No. 1266 (Mallinckrodt plc's Motion by Special Appearance to Dismiss for Lack of Personal Jurisdiction). Mallinckrodt plc maintains that it is not subject to personal jurisdiction in this litigation, and it expressly reserves all defenses and objections, including without limitation those regarding personal jurisdiction, and accordingly, it is not required to and does not join in Mallinckrodt LLC's and SpecGx LLC's responses and objections to these Interrogatories.

America (“CADCA”). Answering further, Mallinckrodt directs Plaintiffs, pursuant to Federal Rule of Civil Procedure 33(d), to the declarations that can be found at Bates numbers MNK-T1_0008592197 - MNK-T1_0008592199; MNK-T1_0008592335 - MNK-T1_0008592336; and MNK-T1_0008592332 - MNK-T1_0008592334.

INTERROGATORY NO. 32:

Identify each Order identified by You (by algorithm or otherwise) as an Order that was of interest, peculiar, actually or potentially a Suspicious Order, or otherwise warranting additional review or investigation to determine whether the Order was a Suspicious Order (“Identified Orders”), and for each such Identified Order: (1) state the reason the Order was so identified (e.g., Order of excessive size, unusual frequency, etc), (2) state whether You reported the Order to the DEA; (3) describe any investigation, review, or due diligence performed by or on behalf of You concerning the Identified Order after it was identified, including whether the Identified Order was a Suspicious Order or whether the Direct or Downstream Customer or other customer that placed the Order was engaged in or facilitating diversion, abuse, or misuse of any Opioid Product; (4) state whether the Identified Order was filled as placed, modified and filled, rejected, or cancelled and the reason(s) contemporaneously cited or provided for any such action; and (5) identify by bates-stamp all documents and communications regarding the Order.

RESPONSE TO INTERROGATORY NO. 32

Mallinckrodt objects to this Interrogatory as overly broad, unduly burdensome, ambiguous, and not proportional to the needs of the case to the extent it requests information on “any investigation, review, or due diligence.” Mallinckrodt further objects to this Interrogatory to the extent it calls for information outside of matters known or reasonably available to Mallinckrodt or outside of Mallinckrodt’s possession, custody, or control, including to the extent it encompasses matters relating to the third-party activities of “the Direct or Downstream Customer or other customer.” Mallinckrodt objects to this Interrogatory as ignoring Plaintiffs’ own unmet burden of proof and refers Plaintiffs to the information they have yet to provide in response to Interrogatory 27² previously served on Plaintiffs.

² This interrogatory is titled Interrogatory No. 27 to Summit County and City of Cleveland, and Interrogatory No. 28 to Cuyahoga County, which are substantively identical.

Subject to and without waiving the foregoing General and Specific Objections, Mallinckrodt refers Plaintiffs pursuant to Federal Rule of Civil Procedure 33(d) to (1) the peculiar order spreadsheets produced to Plaintiffs at the Bates ranges identified in **Exhibit 2**, and (2) the unusual order reports produced to Plaintiffs at the Bates ranges identified in **Exhibit 3**.

Mallinckrodt further directs Plaintiffs, pursuant to Federal Rule of Civil Procedure 33(d), to the multiple yearly consolidated unusual order reports that have been produced to Plaintiffs, which can be found at the following Bates ranges: MNK-T1_0007730452; MNK-T1_0007730468; MNKT1_0001810733; MNK-T1_0002079926; and MNK-T1_0001810813. These reports provide information on the following: the Opioid Product order number, code, type, and the quantity of the Opioid Product order compared to historical average quantity. The reports also identify where and to whom the order was requested to be shipped. Further, in addition to other information, these reports identify whether the orders were subject to a hold. The unusual order reports also include comments and a description of the recommended action taken for such orders.

Mallinckrodt further refers Plaintiffs, pursuant to Federal Rule of Civil Procedure 33(d), to the multiple suspicious order reports that Mallinckrodt provided to the DEA, which have been produced to Plaintiffs at the Bates ranges identified in **Exhibit 4** and **Exhibit 5**. These reports identify the following information: 1) order, 2) whether the order was subject to a hold, and 3) whether the order was flagged pursuant to a new customer flag, a new item flag, a threshold limit flag, or an irregular order flag. By way of clarification, Mallinckrodt states that these reports flag orders from new customers and orders for new products from existing customers, in addition to potentially suspicious orders.

Mallinckrodt states that it flagged potentially suspicious orders prior to 2009 and directs Plaintiffs to the documents with Bates numbers listed on **Exhibit 6**. Mallinckrodt also refers

Plaintiffs, pursuant to Federal Rule of Civil Procedure 33(d), to the document generated for the purpose of responding to this Interrogatory at Bates number MNK-T1_0008592627, which shows Mallinckrodt sales data associated with orders that have the same or similar identifying information as orders that were flagged, at least in part, as potentially suspicious, investigated, and subsequently shipped. Mallinckrodt further states that it may have reported other orders and attendant issues to the DEA but has not identified documents reflecting such orders after a diligent search.

Mallinckrodt also refers Plaintiffs, pursuant to Federal Rule of Civil Procedure 33(d), to the document generated for the purpose of responding to this interrogatory at Bates number MNK-T1_0008593009, a report that shows orders of Opioid Products received by Mallinckrodt and subsequently cancelled.

By way of further explanation, Mallinckrodt states the chargeback data does not allow Mallinckrodt to determine where a distributor sells the product in a particular flagged order.

Mallinckrodt further refers Plaintiffs, pursuant to Federal Rule of Civil Procedure 33(d), to the suspicious order reports, including documents regarding communications with DEA, set forth in the custodial file productions from the following document custodians:

- Karen Harper (Senior Manager, Controlled Substances Compliance)
- Eileen Spaulding (Manager, Controlled Substances Compliance)
- Jennifer Buist (Senior Data Analyst, Controlled Substances Compliance)

Mallinckrodt personnel reviewed orders reflected in the reports described above in relation to order history, market segmentation, and additional information gathered as part of Mallinckrodt's anti-diversion efforts.
